FB-T427

## Compact 8-Port Fiber Optic Termination Box

Application

- Designed for the connection of optical fiber to pigtail, providing full splice and perfect fiber management in indoor or cabinet environments.
- IP43 for IP rating; supports wall-mounted installation.

Features & Benefits

- Made of brand new plastic ABS or PC/ABS for enhanced safety and durability.
- Additional Flip-cover design for drop cable access, eliminating the need to open the entire box.
- Clear fiber function area division and clear fiber routing for organized management.
- Special slot for micro PLC splitter 1:8 in the splice tray.
- Supports 8 SC adapters for efficient patching.

Specifications

Part No.	FB-T427
